

Dear Pheasants forever Supporter,

It's banquet time again!

I am personally inviting you to come out and support your local Washtenaw County Chapter of Pheasants Forever. By attending our banquet you will receive a one year membership to Pheasants Forever, a subscription to Pheasants Forever Journal, a vehicle decal, and the personal satisfaction of knowing you contributed your part to a great organization. By attending the banquet you will help create wildlife habitat and educate our youth about the great outdoors. Youth are the future of habitat.

We as a chapter are proud to encompass the Pheasants Forever name. Pheasants Forever has provided such a great impact on wildlife habitat, nationally and locally. Pheasants Forever is truly a grassroots organization, while funds raised locally in our chapter stay locally within our chapter to be spent wisely. Whether it is for local habitat (seed and equipment), youth education, land acquisition, or for legislative action.

We hope you can come and support your local Washtenaw County Chapter of Pheasants Forever and enjoy an evening of dinner, raffles, auctions, and a great time amongst friends that share the same interests as you.

I encourage you as a member and supporter of a great organization to inform me of any ideas you may have that we as a chapter may utilize in the future. Your attendance is important to the future of local wildlife habitat.

Yours in Habitat,

Christopher L. Ritter
President
